

Job Description

Production Floor Inspector(s) / Packer(s) / Machine Operator(s)

Tool Gauge is located in Tacoma, Wash. We are a fast-paced, non-union job shop. We specialize in precision machining and assembly applications supporting the aerospace industry.

We are currently looking for Production Floor Inspectors / Packers / Machine Operators to manufacture high-quality plastic-molded products while maintaining accurate inventory counts in a safe and efficient manner.

Requirements

- Operates injection molding machines or other equipment in a safe and efficient manner
- Identifies quality and assembly defects as well as records quantities and conditions
- Keeps accurate documentation of good and reject parts
- Performs value-added operations and packages manufactured products
- Reads and understands operator work instructions
- Produces product based on operator work instructions and quality requirements
- Inspects products for defects
- Packages product based on instructions
- Operates pallet jack
- Maintains accurate inventory of manufacturing components and finished goods
- Keeps an accurate count of good and reject product
- Records reject conditions
- Keeps work area clean and organized
- Performs tasks with minimal supervision
- Operates safely while caring for tools and equipment
- Effective communication skills – able to read and write English, keep accurate quantity records, and perform basic math (addition, subtraction, multiplication, and division)
- Basic computer skills
- Manual dexterity to handle and manipulate plastic parts
- Team-oriented
- Efficient, action-driven, motivated self-starter
- Dependable with reliable attendance
- Able to stand for 10 to 12 hours
- Able to lift 35 lbs
- Able to see with 20/20 vision to assess cosmetic requirements
- Experience in a manufacturing organization preferred
- High school diploma or equivalent

We offer competitive compensation and benefits, including medical, dental, vision, paid holidays and vacation, 401k, and profit sharing. A pre-employment drug screen is required before onboarding. You must be a U.S. citizen or a legally authorized foreign worker.

Tool Gauge is an equal opportunity employer.

How to apply

Candidates should send their resume to hr@toolgauge.net. We will review all resumes for qualifications and contact candidates whose profile is of interest to schedule an interview.
